

RIAXOL 250/500/1 gm Inj.

CEFTRIAXONE SODIUM

- * First Choice For Antimicrobial Therapy
- * Parenteral Third Generation Cephalosporin
- * Indication :
RTI , UTI , Post Surgical Infection , Pneumonia,
Septicemia , Meningitis , Gynaecological Infection

Hit A Target In Critical Moments

RIAXOL - SB 375 Inj.

**CEFTRIAXONE 250 MG +
SULBACTAM 125 MG**

* Third Generation Cephalosporin Antibiotic.

* Well - Documented Efficacy in Serious Hospital Infections

* Indication :

RTI , UTI , Post Surgical Infection , Pneumonia,
Septicemia , Meningitis , Gynaecological Infection

Best Combination Against Infection

RIAXOL SB 1.5 Inj.

**CEFTRIAXONE 1000 MG +
SULBACTAM 500 MG**

- * Third Generation Cephalosporin Antibiotic.
- * Well - Documented Efficacy in Serious Hospital Infections
- * Indication :
RTI , UTI , Post Surgical Infection , Pneumonia,
Septicemia , Meningitis , Gynaecological Infection

Best Combination Against Infection

RIAXOL -T 1.125 Inj.

**CEFTRIAXONE SODIUM 1000 MG +
TAZOBACTAM 125 MG**

* High Degree Of Stability Against Beta Lactamases

* Provides Broad Anti-Bacterial Coverage

* Indication :

RTI , UTI , Post Surgical Infection , Pneumonia,
Septicemia , Meningitis , Gynaecological Infection

Combination Against Typical Infection

DICLOROY Inj.

DICLOFENAC SODIUM 75 MG/ML

- * For Better & Faster Relief Right Way To Manage Pain
- * NSAID Reduce Inflammation & Pain
- * Has Been Found Effective Against All Painful Condition

Fix Up The Painful Situation With Painless

MECOROL Inj

METHYLCOBALAMIN 500 MCG

* Helps To Maintain Healthy Nerve Cells & Red Blood Cells

* Requires By Nervous & Immune System To Function Efficiently

* Indication

General Weakness , Diabetic Neuropathy
B-Complex Deficiency , Peripheral Neuropathy

Vital Combination For Healthy Life

MECOROL PLUS Inj

**METHYCOB. 1000 MCG + B6 100 MG +
B3 100 MG + BENZYL ALCH.**

* Helps To Maintain Healthy Nerve Cells & Red Blood Cells

* Requires By Nervous & Immune System To Function Efficiently

* Indication

General Weakness , Diabetic Neuropathy
B-Complex Deficiency , Peripheral Neuropathy

Vital Combination For Healthy Life

NANDONE 25/50 Inj

NANDROLONE DECANOATE

- * Anabolic Steroid For Faster Restores
- * Restores Positive Nitrogen Balance
- * Improves Appetite & General Conditions
- * Ensures Substantial & Sustained Weight Gain

Bring Back Joy In Healthy Life

PANTAROL 40 Inj

PANTOPRAZOLE 40 MG

- * More Effective Than Injectable Ranitidine
- * Potent PPI With Enzyme Inhibition
- * Valuable In Acute Treatment Of Active Peptic Ulcer
- * Very Useful When Dyspepsia Complicates Acidity Problems

Effective & Proven In Acid Control

TAZOROY - P_{inj}

**PIPERACILLIN 4 GM +
TAZOBACTAM 500 MG**

- * Used To Treat Wide Variety Of Infection
- * Works By Stopping The Growth Of Bacteria
- * Combination That Helps The Piperacillin Work Better
- * Indication
ICU , Skin & Soft Tissue , RTI , UTI Infection

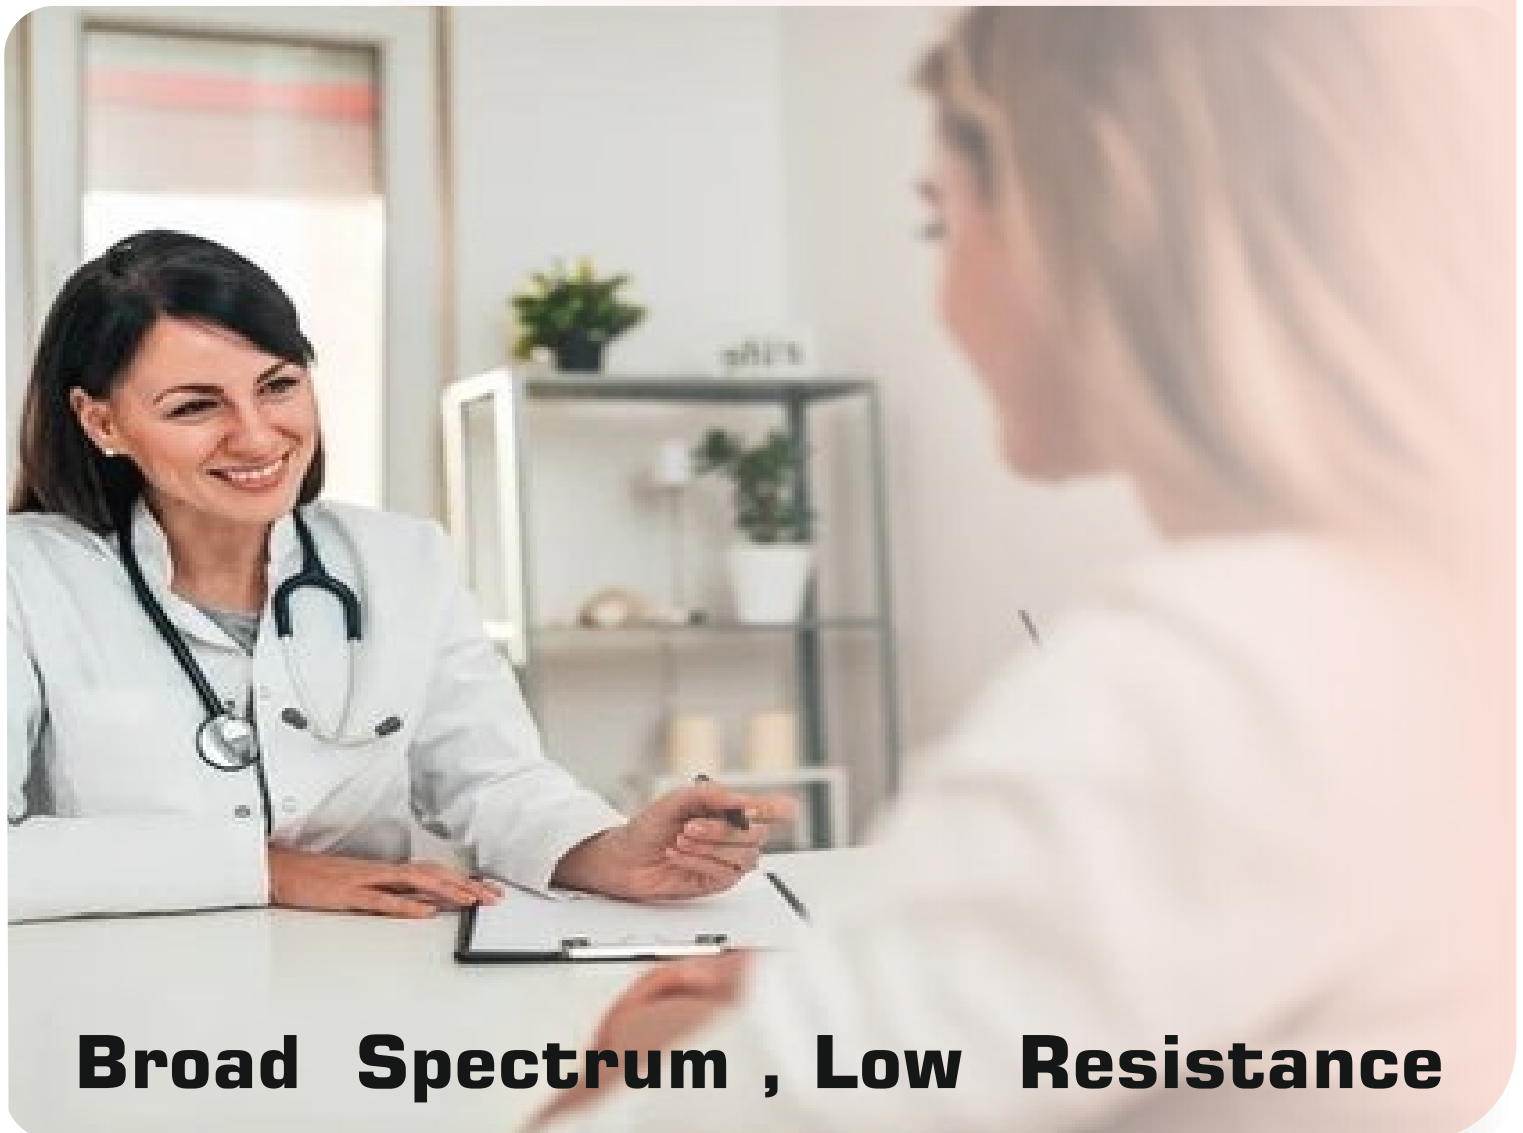

Most Powerful Against Infection

ROYAKACIN 500 Inj

AMIKACIN 500 MG

- * Antibiotic Of The Aminoglycoside Group
- * Broad Spectrum With Activity Against Gram -ve Bacteria
- * Rapidly Absorbed After Administration

Broad Spectrum , Low Resistance

ROYFER - S_{inj}

IRON SUCROSE

- * Provides Fast Rise In The Hemoglobin
- * Improves Structural And Functional Qualities Of Erythrocytes
- * Indicated For The Treatment Of Iron Deficiency Anaemia

Complete Care For Healthy Blood Cells
